October 2023

Best Researcher Award 10.00 AM

7101: Mitochondrial miRNAs (MitomiRs): Their potential roles in breast and other cancers

Prof Dr. Ferda Ari , Bursa Uludag University, Turkey

Best Researcher Award 11.00 AM

7142: Developing H3K27M mutant selective radiosensitization strategies in diffuse intrinsic pontine glioma

Assist Prof Dr. Qiang Zhang, University of Michigan, United States

Best Researcher Award 12.00 PM

7230: Evaluation of the efficacy and safety of HIVEC intravesical thermochemotherapy with intermediate-risk and high-risk non-muscle-invasive bladder cancer

Dr. Arnaud Cimier, CHU Saint-Etienne, France

Best Researcher Award 01.00 PM

7263: Epithelial salivary gland tumors in pediatric patients: An international collaborative study

Ms. Gabriella Alves Quixabeira Oliveira, FOP UNICAMP, Brazil

Best Researcher Award 03.00 PM

7318: Metallic nanoparticles for CT-guided imaging of tumors and their therapeutic applications

Dr. Sona Gandhi, Galgotias University, India

Best Researcher Award 04.00 PM

7366: Dose and secondary cancer-risk estimation of patients undergoing high dose rate intracavitary gynaecological brachytherapy

Dr. Chris Doudoo, Mater Private Cancer Centre, Ireland

October 2023

Best Researcher Award 09.00 PM

7703:Imaging lymph node regression can predict the pathological tumor regression grade in gastric cancer after neoadjuvant treatment

Prof Dr. Jingyu Deng, Tianjin Medical University
Cancer Institute and Hospital, National Clinical
Research Center for Cancer, Key Laboratory of
Cancer Prevention and Therapy, Tianjin, Tianjin's
Clinical Research Center for Cancer,, China

Best Review Article Award 10.00 PM

7681:Circulating and non-circulating proteins and nucleic acids as biomarkers and therapeutic molecules in ovarian cancer

Dr. Shabirul Haque, Northwell Health, United States

Best Researcher Award 11.00 PM

7656: Survey of knowledge and awareness of breast density amongst Maltese Women undergoing mammography screening

Ms. Samantha Leah Gauci, University of Malta, Malta

About Venue

Paris, France

Paris, France is home to a multitude of fascinating places and attractions, ranging from historic landmarks to world-class museums, parks, and more. Here are some of the most renowned places to visit in Paris:

1. **Eiffel Tower (Tour Eiffel):** Perhaps the most iconic symbol of Paris, the Eiffel Tower is a wrought iron lattice tower that offers stunning panoramic views of the city. Visitors can ascend to different levels for various viewpoints.
2. **Louvre Museum (Musée du Louvre):** One of the largest and most famous art museums in the world, the Louvre is home to thousands of artworks, including the Mona Lisa and the Venus de Milo. The museum itself is a masterpiece of architecture.
3. **Notre-Dame Cathedral:** This Gothic masterpiece is known for its stunning architecture, intricate stained glass windows, and historical significance. Climbing to the top provides a breathtaking view of the city.
4. **Arc de Triomphe:** Commissioned by Napoleon after his victory at Austerlitz, this arch stands at the western end of the Champs-Élysées. It honors those who fought and died for France in the French Revolutionary and Napoleonic Wars.
5. **Champs-Élysées:** One of the most famous avenues in the world, the Champs-Élysées is lined with theaters, cafes, luxury shops, and the Grand Palais. It stretches from the Arc de Triomphe to the Place de la Concorde.
6. **Montmartre:** A historic neighborhood known for its artistic heritage, Montmartre is home to the stunning Sacré-Cœur Basilica. The area was a gathering place for artists like Picasso and Toulouse-Lautrec.
7. **Seine River:** The Seine River flows through Paris and is flanked by picturesque bridges and landmarks. A Seine River cruise offers a unique perspective of the city's architecture, including the Notre-Dame Cathedral and the Eiffel Tower.
8. **Palace of Versailles (Château de Versailles):** Located just outside Paris, this opulent palace served as the royal residence of Louis XIV. It is renowned for its stunning Hall of Mirrors and beautifully landscaped gardens.
9. **Musée d'Orsay:** Housed in a former railway station, this museum showcases an extensive collection of Impressionist and Post-Impressionist masterpieces by artists like Monet, Van Gogh, and Degas.
10. **Luxembourg Gardens (Jardin du Luxembourg):** These beautifully landscaped gardens are a serene escape in the heart of the city. Visitors can explore fountains, sculptures, and the stunning Luxembourg Palace.
11. **Panthéon:** Originally built as a church, the Panthéon now serves as a mausoleum containing the remains of notable French figures, including Voltaire, Rousseau, and Victor Hugo.
12. **Musée Rodin:** Dedicated to the works of the renowned sculptor Auguste Rodin, this museum is set in a beautiful mansion and garden. It features many of Rodin's iconic sculptures, including "The Thinker."
13. **Père Lachaise Cemetery:** This famous cemetery is the final resting place of numerous notable figures, including Oscar Wilde, Jim Morrison, and Edith Piaf. It is known for its picturesque pathways and beautiful tombs.
